

How to edit your Security Questions

- Access Sirius Care via your **General Practice website**.
- Enter your **username** and **password**.
You will reach the Sirius Care landing page.
- Click on the dropdown arrow next to **'Your Name'**.

- Select **'Change Your Details'** This will take you to the **'Change Patient Details'** page.
Security Questions are at the bottom of the page and can be easily edited or removed.

- After clicking Edit, the answer can be edited.
- Users can click the red cross to delete a security question / answer, then Edit to add a replacement security question / answer. Edit can also be used to change the existing answer to a question.
