

How to register and activate Sirius Care

- You will need to fill out a **registration form** to register for Sirius Care. These forms are available at your **General Practice**. Once completed and your ID is confirmed, you can activate your account.
- To activate your account, you will find a Sirius Care link on your **General Practice’s website**. By clicking on this link you will reach the login screen (as below).

- Enter your username and initial temporary password **provided by your General Practice**.
- Click **‘Login’**
- On your first login, you will be asked to provide a new password - please select a suitable password. You will then be prompted to read and accept the Sirius Care Terms and Conditions.
- Click **‘Accept’** and you will be taken to the Sirius Care landing page.

From this page you can choose which function you would like to use (depending on what functions your General Practice has enabled).
